

Access Your Casebook Connect Products through Brightspace

Thank you for using Casebook Connect through Brightspace. Here's how to access your Connected eBooks, Connected Quizzing, or PracticePerfect through your LMS.

Find the Casebook Connect Content Link

First, log in to your account on Brightspace. Click into your professor's course, then click "Content" from the top navigation menu. There, you'll find the link to Casebook Connect.

Log In to Casebook Connect

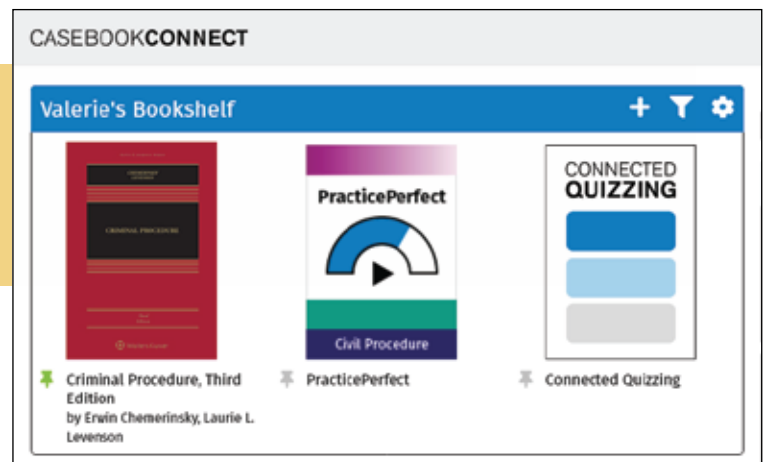

Click the link, then log in to or create your Casebook Connect account.

If your institution has an anonymization policy, your privacy settings will be protected by Casebook Connect.

Use Your Products

Once you've tied your Casebook Connect account to Brightspace, you can use the content link to go directly to the product, or you can log in at CasebookConnect.com and the product for your class will be visible on your bookshelf.

Grade Sync

Any quizzes you take in Connected Quizzing or PracticePerfect automatically flow into Brightspace. Click "Grades" from the top navigation menu. Any quizzes you've submitted will display on this page.
